Visitors: None

New Members: None

Safety reports

Afton: None

Chapin: None

Old Business: Lake Afton runway repair. Kevin still needs volunteers to help with repairs. Seal coat in the future. Matthew Kelly suggested a "big airplane" raffle drawing to help with the expense. It was also suggested WRCC contact AMA for grant money to make repairs.

New Business: Vernelle with the help of other have almost completed painting the structures at Afton. One shelter remains.

Kevin painted the shed at Chapin and noticed it needs minor maintenance to prevent further water damage to the interior.

Newton auction October 21, 2017 starts at 9:00AM

Auction committee report: They met on 9/17. Bill Roberts is the chairman. An auction bank account will be opened and an advertisement placed in the AMA magazine, Model Aviation. New seller sheet will be available for the 2018 auction with printed note cards. Auction is 2/10/2018. Volunteer sheet passed around during the meeting and everyone was encouraged to sign up.

Attendance drawing was not won. October will be \$35.00.

Show and Tell: Mathew Kelly brought Corsair that his father started 40 years ago. It will be his winter project and hopes to fly it in the spring.

Bill Roberts and Kevin Riedl reported about the EAA flying in and airshow. RC and control line airplanes were flown during the event.

Chisholm Trail Fun fly October 7. There is a \$15.00 landing fee. Everyone is welcome any size models can fly.
