

WRCC April 28, 2022

Meeting called to order at 6:30 pm by Jared Arrington at Chapin Park.

Treasurer's Report: \$4130.63 with an additional auction proceed of \$768.65 presented later.

Old Business:

McConnell AFB Open House is **Sept 24-25, 2022**. Vince has secured electricity & 2 tables for the club. He would like to see if club is interested in doing a flying demonstration. Let us know if you would like to fly. **Does anyone in the club have a flight simulator we could use?**

2022 Contests: Quickie 500 – May 5-8, 2022

Quickie 400 – Sep 23-24, 2022

Eagle Scout community service project is CLOSED until that person makes contact with the club and re-opens his project

New Business:

Auction: All present acknowledge the importance of this event to the hobby, but none present offered any commitment to its continued success. All club members must work to identify potential venues for future auctions. Consider churches, community centers, warehouses, pole barns, etc. We will explore any plausible option if anyone comes up with one. Once a venue is identified, we can determine layout, operation, and labor requirements. This isn't going to work if the only things the club body offers are reasons why it won't work.

Field report: Afton good to go, no issues

Chapin: one piece of pilot safety fence is missing due to a post breaking off. Jared Arrington put the piece in the storage box. Dennis Winkler offered to supply a piece of rebar to replace the broken post.

Jared Arrington offered a plan to reduce frequency and area of mowing at Chapin and all present agreed to the identified bounds of mowed area. If any club member experiences problems with the reduced mowed area, bring the issue to a meeting and we will adjust to accommodate.

SHOW & TELL: None this week

Next meeting May 26, 2022 at 6:30 pm at Chapin Park

Meeting adjourned at 7:30.
