No treasurer's report

March 2017 minutes approved as posted

Two new members as the result of the fun fly held.

### Safety Reports:

Lake Afton: Membership should refrain from flying during Lake Afton events such as the boy scout jamboree that was held. A RC helicopter pilot flew during their event. Lake Afton does close the flying field during go cart races and other events.

Chapin: A quad copter pilot crashed his quad inside of a parked van in the parking lot.

Open discussion: Verenelle thanked Kevin for replacing the battery in the mower at Lake Afton.

Dave Wise suggested we repair the storage shed roof at Chapin to prevent further water damage to the interior and schedule a work day to spray for weeds and such.

Kevin Redl replaced the fencing and posts at Chapin

Old Business: We need a picture of Dennis Demoure to post on the website. He passed away in March.

We believe the bad check that tendered at the auction was made good. Kevin will check with Richard Wise.

New Business: Kevin passed around new business cards for members to take and pass out to potential new members. Tee shirts and hats to come later.
