

## WRCC MEETING JULY, 2013

Meeting was called to order at 7:00 by Roger Burright.

WRCC June meeting at Chapin Field was cancelled, due to bad weather. No minutes for June meeting. Minutes from May WRCC meeting were approved as posted on Club website.

VISITORS/GUESTS: ALY DAISEY

### COMMITTEE REPORTS:

SAFETY- No major issues

CHAPIN FIELD- No report

LAKE AFTON- Crack in runway was sprayed to kill weeds. August 4<sup>th</sup>, a work party will patch and seal the crack.

OLD BUSINESS: None reported.

### NEW BUSINESS:

AMA'S NATIONAL MODEL AVIATION DAY is scheduled for AUGUST 17<sup>th</sup>; our Club will register and participate in some way. The national event is to raise awareness and donations for THE WOUNDED WARRIOR PROJECT. More details will be available after the Club is registered with the AMA.

DRCC is hosting a Fly-In and Swap Meet on AUG. 24, at the Derby Rec Center.

## SHOW-AND-TELL:

Ken Chadwick brought a home-brew PT-19 look-alike, made from miscellaneous parts that were formerly a GWS Biplane, and powered it with an electric motor, and 4 channel radio.

Loren Tregellas brought a Skyraider ARF, of molded styrofoam, which required nothing more than removing it from the shipping carton, turning on the power switch, and setting it on the runway, to fly.

Scott Stoecker brought an AVISTAR 46 ELITE TRAINER, also an ARF, with flaps, that he will program for "crow" function.

Pictures were taken of the airplanes shown, but I could not get them to stick to this document. Sorry, I'll try to get them in next time!

## RAFFLE : (items purchased from Finley's Hobbies)

Dave Wise - Mini Vapor

Scott Moore - Epoxy

Doug Burrright - Electric Starter

Rick Wise - Fuel

Terry Powell - Engine Mount

Roger Burrright - Flashlight

Brad Smith - Magnetic Parts Holder

Richard Bereman - Dremel Wheels

Dennis DeMoor - 4 Way Wrench

Meeting was adjourned.

NEW INFORMATION: The Club is registered for the AMA's NATIONAL MODEL AVIATION DAY, to benefit the WOUNDED WARRIOR PROJECT. Our event is to be held on SEPTEMBER 7, 2013. Phone calls and arm-twisting will happen, to make this a successful event! BE PREPARED TO FLY! Donations will be accepted by the Club, and forwarded to the AMA for The WOUNDED WARRIOR PROJECT. Please look on the AMA website, or in Model Aviation Magazine for more information than I have given, here. This is the Inaugural Event for this project, and a very worthy cause to support. Many AMA Chartered clubs, around the country have signed-on to participate, and host an event. The WRCC should do it's part to help, and - you have another opportunity to have a fun-fly!
