- Accepted as published.

Committee Meetings:

Field Reports:

- **Chapin:**
 - The runway was sealed with a Portland cement mix on 10-12-2013.
 - 11 bags of Portland cement were used. There was a good size work crew that made the task much easier for all involved.
- **Lake Afton:**
 - No report

Safety Report:

- There was a report of a 30% scale plane that landed north of the field at Lake Afton by the campers.
- All flyers need to be aware of the field boundary at both flying fields. Boundaries are posted at the both fields and also on the WRCC club website.

Auction Committee:

- The 2014 auction is scheduled for Saturday May 10, 2014.
 - The Derby Radio Control Club will run the concession stand again this year.

Other items:

- Tom Prescott noted that he will not be able to partake in an educational effort WRCC was invited to participate at due to communication difficulties. WRCC will be participants next year.

New Business:**Louis Slack Estate Sale:**

- Coordinated by Brent Deal.
- Saturday December 7, 2013 9am – 3pm.
- 1022 S. Cherry, Wellington, KS
- Lots of RC equipment to sell – airframes, gas/glow engine's, chargers, starters, paint, covering, Futaba radios and more.
- NO EARLY BIRDS!

Chisholm Trail RC Club Swap Meet:

- The Chisholm Trail Club will host a swap meet on January 25, 2014 from 8am to ? at Gene Francis Auction located at 12140 W. Hwy K-42 just west of Maize Rd.
- Admission is \$5.00, sellers tables are \$15.00 (includes admission)
- To reserve tables, contact Dave Freeman @ (316) 208-9516. Leave message is no answer and Dave will return your call.
- Note: Tables are usually sold out before the event.

Derby Radio Control Club indoor flying:

- Sunday November 17, 2013 starting at 1:00.

Christmas Party:

- Doug Burright is currently working on the details and should have a report at the November 2013 meeting.

WRCC Officer Elections for 2014:

- Nominations and elections will be held at the November meeting for the following 2014 club officer positions:
 - Vice President
 - Secretary
 - Treasurer

7:22 pm: Break

7:40 pm: Meeting resumed.

Show-n-Tell:

- Tom Prescott displayed a model of one his full scale designs called the Prescott Prestige.
 - Full scale plane specifications:
 - Meets the light sport aircraft criteria.
 - 24 ft. wing span.
 - 1320 lbs. gross weight at takeoff
 - Powered by a Jabiru 2200 engine.
 - Model specifications:
 - 30% scale.
 - 88 in. wingspan.
 - Fiberglass fuselage.
 - Fiberglass tail fins.
 - Foam core horizontal stabilizer.
 - Weighs 22 lbs.
 - Operates with 3 receivers.
 - DLE 35 engine.
 - Master Airscrew carbon fiber graphite prop.
 - Hobby King carbon fiber spinner with a specially made prop adapter.

Attendance drawing: Michael Shup was not present and lost out on the \$10.00 prize. Next meeting attendance drawing will be for \$15.00.

Raffle:

- We had a very good raffle where lots of people won lots of prizes.

The November meeting will be held on Wednesday November 20, 2013 @ 7:00. The meeting was moved to this date due to the Thanksgiving holiday at the end of November and a conflict with acquiring the meeting room on the Thursday prior to the normal meeting date.

Meeting was adjourned at 8:03 by Roger Burright.
