- We currently need club members to help work the auction.

WRCC Officer Elections for 2013:

- **President:** The current President and Vice President positions have been temporary due the resignation of both the 2012 President and Vice President which meant there was not a standing Vice President to assume the President position. Voting was between Roger Burrigh and Scott Stoecker – Roger Burrigh (2012 temporary Vice President) won and will be President for 2013.
- **Vice President:** Voting was between Scott Stoecker and Terry Powell – Scott Stoecker won and will be Vice President for 2013
- **Secretary:** Doug Burrigh was unopposed for the position, accepted the nomination and was approved.
- **Treasurer:** Richard Bereman was unopposed for the position, accepted the nomination and was approved.

Club Events:

- It was suggested we try to have an all-model type of event at Chapin for RC, Control Line, and Free Flight.
- After some discussion it was determined this would not work as there would not be enough of a safety space for a control line circle.

7:33 pm: Break

7:47 pm: Meeting resumed.

Show-n-Tell:

- Doug Burright brought his now completed Patty Wagstaff Extra 300 he first showed at the September 2012 meeting.
 - Doug built this model from a Great Planes kit.
 - Covering scheme is Patty Wagstaff's Cirrus design: Black and silver base with red, orange and yellow trim, additional trim to simulate the lower windows in the fuselage.
 - Power is an OS .46AX with Bison Pitts style muffler
 - The cockpit details a custom Patty Wagstaff pilot made from a Barbie doll, and includes a Yoda doll as a passenger just behind the pilot's seat.
