Christmas Celebration Dec 15th at 7:00 pm at When Pigs Fly BBQ
7011 W Central #116

Meeting called to order at 6:36 pm by Jared Arrington at Osage Rec Center.

Treasurer's Report: \$ 4,272.61 after paying for the clubs Post Office Box for 1 year.

Old Business: The club was told by Lake Afton that The Dam Jam Music Festival will be held at Lake Afton July 21-22, 2023. Lake Afton Park Service will take care of any damages caused by event.

New Business:

ALL FUTURE MEETINGS WILL BE HELD AT 7:00 PM until further notice

Kevin submitted the design for the new fences at the field and they were approved. They will be started after the first of 2023.

The new club sign at Chapin Park has been ordered and is being worked on now.

The Academy of Model Aeronautics has just been officially named as the first FAA-recognized Community-Based Organization (CBO). For more than a decade, Congress has looked to AMA to manage the recreational model aircraft community. We applaud the FAA for implementing the process and acknowledging that AMA's Safety Programming is the gold standard.

Now that AMA is a recognized CBO, we can start applying for FAA-Recognized Identification Area (FRIA) status for our club flying sites. AMA's Clubs Department will be reaching out to club officers soon via email regarding next steps for the FRIA application process.

Basically this means that once approved we will no longer need to put a remote ID transponder on our planes.

FREEZE FLY will be held on Jan 1st, 2023 at Lake Afton at 8:00 am

Indoor flying will be on the THIRD Saturday of each month at Osage Rec Center starting on Saturday, 11/19/2022 thru March 2023. Times are 12:00 pm – 5:00 pm
