## Notes from the President By Vic Kirkpatrick

Well the race season is almost over and I'm having so much fun, I'm not ready for it to end.

I'd like to Thank Mike Tallman for putting on the races for us. Its Great having someone with so much experience showing us how to do it right and keeping it fun at the same time. It's like having a fun fly every Wednesday night. Thanks Again Mike

Richard Ashford runs the races for us when Mike's out of town racing against the big boy. Richard's wife Denise works a stop watch every week and cooks a mean hot dog at the break too. These two can really get it done. Ron McLearn and Dennis DeMore are always there to run a stop watch for us. It's good to have these guys around.

My wife runs around with her video camera catching all the action. It's been fun having her come to the races with me. She calls for me and launches my plane Thanks to her I win a race every now and then too. Kenny, Romine and Vernelle Tallman, Mike's Wife, work the corners for us calling the cuts and keeping track of things. I try to thank them every week but just in case I missed one THANK YOU VERY MUCH we all appreciate everything you do!

I can't forget George Knappe from the Hangar he keeps us hooked up with the good stuff at a good price. Thanks George Well that's all for now.

See You At The Field  
Vic

Vic had then volunteered to conduct the fun fly as rather an all welcomed open fun fly event! If anyone would like to show their support by helping with this event being held at Lake Afton Park October 4, 2008 - Starting time is at 10:00 a.m. Your help would be very appreciated! Special thanks to Fred Harvey and Gene Morse for volunteering their help for this fun event at the meeting!

Terry Dobson requested from the museum owners that the club decides whether or not to use the museum as a meeting room. The club voted in support and wrote a check to the museum for \$300.00 which is a donation for rent to the museum for using the room for the year and until the end of 2008. Terry also discussed issues regarding the museum hangar. Special thanks to Terry Dobson for being rather the middle-man for discussions with the museum owners!

FYI - Anyone is welcome to buy a museum membership!
